Project Narrative

The Project Narrative must be limited to no more than six (6) pages long. **Narratives longer than six (6) pages will not be reviewed. Narratives must be typed in 12 point font with standard spacing between rows of text.** Proposals must include the following:

1. **Project Goals and Objectives:** Identify the goals and objectives to be addressed and the specific, measurable performance targets to be reached and products to be produced by the project for FFY 2014. If the project provides direct services, state how many people will be served, how eligibility and selection will be determined and a description of the type and quantity of services that will be provided.
2. **Methodology:** Describe the specific activities that will be conducted in order to meet the stated objectives. Include information on how individuals with developmental disabilities and/or family members will have choice and decision-making in any services provided through the project. Specify any other parties whose involvement will be important for the success of the project.
3. **Duration:** Provide a timetable for project activities and achieving performance targets. Describe plans for continuation of services (if relevant) after Council funding ends.
4. **Evaluation:** Describe the process to be used to assure quality of services and achievement of project objectives.
5. **Administration and Investor's Capacity:** Describe how the project will be administered by the organization. Include the staffing pattern and resumes of key personnel who will be associated with the project. Indicate the investor's experience, knowledge and skills to carry out the specific project activities.

Project Budget

The **Budget Form** (available on the DD Council's web page) must indicate the amount of the grant request and the applicant's matching funds for the grant project from initiation through September 30, 2014.

Enclose a detailed budget narrative that identifies and justifies the planned expenditures by individual budget category. The budget narrative should include the dollar amounts and how those amounts were derived. Each budget line item should be clearly identified and have a corresponding budget narrative. Identify the source(s) of the match.

[NOTE: Other Federal funds may not be used as match for this grant project.] Grant funds are intended to supplement and enhance resources that are currently available. They may not be used to purchase goods or services for which another funding source is available or to supplant existing funding.

The grantee's matching share may consist of:

1. Charges incurred by the grantee as project costs;
2. Project costs financed with cash provided to the grantee by other public (**non-federal**) agencies and institutions, private organizations and individuals; and
3. Project costs represented by services and real or other personal property, or use thereof, donated by other public agencies and institutions, and private organizations and individuals.

In-kind contributions shall be accepted as part of the grantee's matching share when such contributions meet the following criteria:

1. Are identifiable from the grantee's records;
2. Are not included as contributions for any other federally assisted program; and
3. Are necessary and reasonable for proper and efficient accomplishment of project objectives.

(per OMB Circular #A-102)

[NOTE: The Council does not fund the purchase of equipment since such equipment must be surrendered to the Council at the conclusion of the project funding.] The Council cannot grant funds to agencies/organizations to meet requirements of the *Americans with Disabilities Act*.
